Dear General Pitt Rivers

In looking at

my friend Mr Forabrook's copy
of your "Excavations in Crauford"
I was struck by the appropriate-
ness of the cloth covers

as I found they were designed by
you, probably you can tell me
where I could procure them
to bind the copies you have been
so kind as to give me. Pray
forgive my troubling you.

Hoping you are restored to health
I am dear Sir

Your faithful servt

J. F. Foster.
