Dear Sir,

The enclosed perhaps explains  
itself. I am endeavouring to obtain  
some assistance for Benjamin Har:  
rison of Liphtham for the Govern:  
ment, and am asked to  
obtain the signatures of autho:  
rity, who know the work wh:  
he has done, and consider it

to be valuable.

I hope that I am right

in believing you to be one of

the number, & that you will

think it right to sign

enclosed.

Yours faithfully
