

Mr I shall be very happy
that you sh^d. have a box
at the Larmer Gr^d. I should
be glad to know how you
will secure the safety
of the box. I have no reason
to believe that the box would
not be as safe ~~there~~ as at
other places, but

I think that
~~the~~ the money
should be asked at & asked every
evening.

Dear Sir
At Lemley Railway Station
and at other places we have been
permitted to have Collecting Boxes
asking for "A Penny for the -
"Westminster Cottage Hospital
"Shaftesbury" and they have
helped nicely towards the funds
of the Hospital.

I am venturing to respectfully
ask if you will allow us to
place one of our boxes at the
Larmer Tree. We feel sure that

Many of the thousands who so
thoroughly enjoy the outing to
that delightful spot would be
glad to contribute a small
sum to so useful and beneficial
an Institution.

Trusting you will pardon our
making thus free and with
best thanks for all your kindness
towards The Hospital

I have the honour to be
Your obedient Servant
Wm. Billington Aubrey
