3rd May 1899.

My dear General

I write this note to
serve as a reminder, that
on 22 Jan 1882 you &
Lord Arthur Russell kindly
put me up for the Athenaeum
Club & I am told that
the ballot is to take place
on the 15th Instant.

Sir John Swan,

17 COLLENGHAM GARDENS
SOUTH KENSINGTON
S W 8

has taken the place of Lord
Arthur Russell.

I am very sorry to hear
that you have been ill again
do imagine that you will
not be in London on that
date - but hope if you are
well enough that you will
write to some one of your
friends to support me on

that occasion, if you
can do so, I shall be
greatly obliged to you.
With best regards to
Mr. Pitt Rivers & yourself
hoping you are better
I am

Yrs. very sincerely
