Dear Sir

Some time ago
you were kind enough
to present to the late
Dr. Steevens, who was
for many years Hon.
Curator of our Museum,
the two first volumes
of your important
work on the Excavations

at Cranborne Chase.
By the recent death
of Dr. Steevens these
volumes, together with
other works belonging
to him, have come
into the possession
of the Institution.

My object in writing
is to say that if you
could kindly see
your way to present
the Institution with
the remainder of the

work they would
be very highly
appreciated by
students & workers
in this district.

Yours
Yours faithfully
W. H. Greenough
