Dear Sir, Athenian Museum  
I write to you today to enquire if  
you had received the photographs  
I sent you - also if you  
could now very kindly give  
us the handsome subscription  
of £10 which you were so good  
as to promise - Not leaving  
I venture again to write, as  
I am now endeavouring to  
collect all sums that have  
most kindly been promised  
that we may take steps to  
proceed as soon as practicable.

Mr. Bowyer has kindly  
consented to subscribe 30,

Remain decently,  
Yours very faithfully,  
J. W. Grover
