Dear Sir:-

We have an inquiry for your work upon "Excavations in Cranborne Chase," privately printed, and should like to place a copy of this valuable publication in the collections of this Library.

As the work referred to is not in the trade, we hope to receive a copy through your courtesy, as a gift to the Library of Congress.

Mr. Edward G. Allen, 28 Henrietta Street, is our agent. If he can be of use to you as a forwarding agent, please call upon him at any time.

Very respectfully yours,

Arthur D. Patten

Librarian.
