Dear Sir,

A Society has been  
formed in connection with this  
University having for its  
object the furtherance of

Hon. Vice President.

we shall be extremely obliged  
if you will assist us in  
our attempt to push such  
work in the north, either by  
means of specimens or  
communications which might  
be read at meetings of the  
Society.

Hope to hear from you.

Remain

Yours faithfully
