My Lord,

I have the honor to
inform you, ^{Lordship} that I propose shortly
to publish a "History of Cyprus under
the Lusignean Kings," on which work
I have been engaged during the past
few years of my residence in Cyprus.

The book is a translation of M. de
Mars-Latour's famous work - published by
the French Academy - to the Fall of St.
John d'Acre; but as that gentleman's
detailed account of the events of the
Island

Glauc terminates at that period, I
have taken up the thread of the
history at A. D. 1291 & carried it on to
the time of the Occupation of Cyprus
by the Republic of Venice.

I have obtained in Cyprus a
fair number of subscribers, the
work will be published so soon as I
obtain a few more. It will cover
about 800 pp of letter press, demis
octavo, & the price per copy will be 16/-

May I venture respectfully to
call your Lordship's attention to
this & to ask whether I may be
permitted the distinguished honor
of adding your name to my list
of subscribers I have the honor to be,
My Lord,

Your most obed^t servant
Robert M^rLeod
Chaplain to the Forces
