Dear Father

Thank you
very much for the
cheque for £50. The
wedding went off without
a hitch except the
report in the Morning
Post they made ^{an} ~~it~~
rather natural
mistake calling the

wedding, Rivers -
Blackett. They do
not pass the two
names and took
all my names to
be Christian.

I suppose you are
able to get out
this fine weather
unless your cold
is still hanging
on
