My dear father

Nesta and I
are coming down to
Rushmore on Tuesday -
while my mother is away -
till Friday.

I have now declined
to accept the Canadian
Engineering job as I do
not think that even I
am a big enough husband

to accept the offer as
it stands. In resigning
this post I am glad
to understand that I
shall - later on - be
offered a less remunerative
place, but one that
I can fill more creditably,
especially if I can speak
Spanish. So we propose
to take a trip to Spain
in a month's time and

spend three or four
months there.

I will tell you more
about my plans when
I see you.

I was very sorry to
hear of your attack
the other day and
am so glad you have
had no return of the
symptoms.

Your Affec Son
