about Willy

Dear General Pitt Rivers

Thank you very  
much for taking the  
trouble of finding  
out & sending the  
man's name to  
Mr. St. Bernard, I do  
not think however  
he means to employ  
him at once.

I am so very sorry

I hear of Willy's  
accident, which  
sounds very serious  
but as you say he  
is doing well I hope  
very much it is  
not as bad as you  
think. My mother  
will no doubt hear  
how he is going on  
& will tell me, as

we shall all be  
anxious to know.

Yours sincerely

Matilda Kelly
