

Morning. I have got
Every thing together and
am nearly ready.

Your Affec. Son

Wm Fox Pitt

Dear Papa

I went to see Mr
Farrar who will write
to you about the
business. I think it
will be necessary for
you to come to London
to sign the Power of
Attorney. If you find

a Power of Attorney
to a firm of Lawyers
in Winnipeg it appears
that you cannot
dictate to them as to
the lowest price
per acre you will take
without the risk of
rendering the document
invalid. You can
however tell Mr
Farrer to write them
a letter, pointing

Give and a half dollars as the
lowest-price and telling them to
consult me in the matter.

The lawyers are not hand agents
and will surely be acting as
your legal advisors in Manitoba.

I hope you will send me a
check by return of post. As I
leave by the 10.15 am. Thursday
