Dear General.

Let me wish you
a happy Xmas &
prosperous New Year.
I send you the head
dress from Baboo
but I have not done
it with either silk
or hair I found
it so difficult -

The photograph shows
exactly how it is worn.

I also send you the
photographs of the
Ball, and some others
I desire Mr Pittkin
would like them and
please give the one of
the children to Mr. Lind
as he stopped them -
One more moved which
is a pity -

I will have the staircase
printed on Platinum
paper as truly as
then improve it as
much with pencil or
paint brush -

All here are well
including Polly -

Yours very sincerely
Agnes Pittkin
