

Italy - I fear the <sup>1</sup>st Batt  
will go on to Egypt  
in June - but we have  
only taken the  
house by the sea with  
with us here & hope  
to find for both being  
flourishing when  
come back?

Believe me  
Yours very aff

My dear General  
I was proud of you  
to send me your  
good wishes for our  
journey etc. I rather  
look forward to  
stay at it & will  
be about in Spain  
and try send something  
for the Museum -

Willy seems very well. I like the place —  
 I hope for all really better. And that the nice spring weather when it comes will do you good — I also think that the photograph does

not do Willie justice. As he has such a sweet expression. I had one done by a cheap little man in the Hampton road. which I am going to send to Mr Pitt Rivers. Also one of the same
