

it is a new hotel  
and very comfortable,  
and much higher  
than the hotels at  
Bournemouth and  
you see out all over  
the sea which you  
can not do from  
the Bournemouth one  
Boscombe is only 1 mile  
from Bournemouth. I  
have a vile pen.

Dearest Papa.

I wrote about  
a bicycle to the  
firm Miss Tanisgot  
hers from as I could  
do it through Owen  
Hugh Smith who is  
in the firm so get  
it cheaper and hers

visited me so beautifully  
that I want to get  
one exactly like it.  
but I have had  
a letter to day saying  
they are 18 guineas  
you were kind  
enough to say you  
would go as far as  
16 so if you will  
send me a cheque

I will make up the  
rest myself as should  
so like to have one  
like that. It is very  
very kind of you.  
I hope you are feeling  
better Mr. & Mrs. Lane  
say they are quite sure  
if you ever think  
of going to Bournemouth  
that you had better  
go to the Burlington  
Hotel. Boscombe
