Handley Vicarage

Sept 28th 1856

Dear Sir

"Charles Wilkins" a
tenant of yours at Minchington
has just now told me that
you wished to have a letter
from me in order to
substantiate the genuineness
of his application for assistance
and I have much pleasure
in bringing his case to your
notice as I consider he is

deserving of help.

Believe me

Yours truly

J. Fred^d Bigg
