Dear Fox Pitt

Many thanks for your letter & I am
very sorry to hear your Father is so unwell.
I certainly heard nothing about the sheep from
the bailiff. I have sent to him today to forward
them again, I was authorized by you to do so.
Kindly let me know their price, or if your Father
would prefer an exchange. I could send him
some very good four horned black sheep for

VAYNOL PARK,
BANGOR,
NORTH WALES.
