Dear Sir

Mr. Laws suggested
to me last evening that I should
write you, to say, if you have
not already engaged a party
for your 'Fete' on Sep 20,
that I know of a really first
class Company (all professionals)
Vocalists & instrumentalists,
Harp, Violin, Mandoline &c, &
Excellent Comic Singers, their
fee I expect would be about
£5. (from Weymouth). I can

thoroughly recommend this
company for an amusing
& refined performance.

I shall be pleased to
put you into communication
with them if you wish it.

I remain

Yours very obediently
