Handley Vicarage

Salisbury

Oct 6th. 1886

Dear Sir

The Parishioners of
Handley are anxious to
have a clock placed in
the Tower of the Church
and it is proposed to
hold a meeting on
Thursday evening Oct 14th

when a subscription list
for the same will be
started. Will you kind
head the list with a
donation? I have received
estimates from Benson
of sundry bills & others
which I shall place
before the meeting. I
think Benson is the
most satisfactory & he is

second to none in erecting
Church Clocks. The total
cost of clock together with
the expenses attending the
fixing of it will be
between £90 & £100.

Believe me
Yours faithfully
J. Fred Bigg
Major General Pitt Rivers
