

I understand & me. I think
 of the Fair's Act of 41
 they were ^{made} considerable
 but have not a copy
 of the Act - of course
 if I accept his offer
 I shall get a strong
 local committee to
 back me up. I shall
 ask you the same Hon
 member - (in order
 that you may do
 the same - of course
 the cattle tables & dining
 booths - I should wish
 nothing to do with.
 but I do want to talk
 it over with you.
 Is there any hope
 of seeing you on the
 24th - our garden path

 the pleasure

 caught me
 at his mercy

Dear General Pitt Rivers
 When are we to
 have the pleasure of
 seeing you established
 here? I am getting quite
 curious! First he
 cause me to go for a
 fortnight - the beginning
 of Sept - & I'm afraid
 least the children
 & myself to have
 you appear to com-
 mence dignify just
 as I go off - wd

I am going to give the Fair people a
free
place for ^{the} ^{Ball Room} ^{& a little} ^{Merchandise} ^{advertising} ^{as this} ^{temporary} ^{conveniently}
& am because I
want to talk over
with you an offer
of Richards. which
I am on the point
of accepting - viz
to under lease the
pleasure part of
the Weston Fair
from him - with
the Ball room -
which latter I have
rented as another
meeting

room for years - I need
min exercise in
powers in keeping
order - preventing
fighting for camping
ground - & objectionable
booths - (as I told
you last year) I
have been at him
again this year -
with the result
alone named - which
will give me power
to exercise some degree
of vision - Can you
find out for me
exactly what your
powers as owner of
the Fair are - & which
Richards proposes

Believe me to be
Yours truly

Richard,
will give
him 10 L
we suggested
if I take it.
This I have
I defined
myself in
tells - if I can
if I make
the fair for
rest all at a
dead end. I
shall come by it
I share it! :-

These are some of
the questions I
and like to get
answered through
our creed. as I am
not prepared to take
all the risk & bother
& find I have no
authority. I hear that
Bartlett paid 4% for the
"privilege"! I have
told me

Has the owner of the
Fair - (or the lessee)
any legal right
to refuse camping
ground to shows
which he disapproves
of - as lowering
public morality.

Are the tolls regulated
by the amount of
ground occupied

Are they based on
any fixed agree-
ment in the lease
of the farm -

Has the leafe
power to arrange
the bottles with
due discretion
as he thinks fit
to as to avoid
quarrels -
