Rectory Sunday 9.15.44

Dear General Rivers

I must thank you  
for the Infirmary paper,  
also for your letter rec<sup>d</sup>.  
This morning - We had a  
long letter from Laura -  
She is very happy but  
awfully hardworked -  
They heard from Lionel  
since she arr<sup>d</sup> at Clauwill<sup>er</sup>  
& he is going to stay with  
them - perhaps he may  
like that part of the  
country better than  
where he is - Arthur

is surrounded by  
gentlemen - he has  
now 2 Clergymen's  
sons as pupils - They  
are all anxious for  
Laura to stay the  
winter - Ladies are  
scarce!!

Y<sup>r</sup> very truly  
Geo. H. Waterfall

Laura & the Servant  
rise at 5.30 & have  
3 meals to cook daily  
for 6 - They never get  
to bed till 11.
