Dear General Pitt Rivers.

May I beg you to
to request your Paupers to
send my G. A. papers without
further delay? Several
messages have been sent
by myself & Mr. Bedford
& W. H. so unpleasant to
have my letter come in
such a very dilapidated
state. than I feel obliged

To trouble you.

I shall be so glad if Mrs.
Pitt Rivers will call when
she can if an time to do
so, I have had so much
trouble about this cottage.

Believe me

Yours very truly
