Watts Dr. S. C.
Worcester House

Dear Sir

It has been my intention
to write to you for some
days but hesitated as
I thought I should in all
probability have seen
you at Chesham on
the Polling day; but now
express my grateful
thanks for the handsome
sum you have allowed
to repair the House at
Worcester. In these

Depressing times I could
ill afford to lay out
much money. & therefore
your kind consideration
is all the more gratifying
& Believe me. Wth

Faithfully. yrs.
