Dear Genl: Pitt Rivers

It is dreadfully on
my mind that I have
never answered your kind
letter asking me if I
wd like a copy of your
last issued volume as to
the excavations. But I
had hoped to have had
a longer time at Chalbury
last month, & to have

MR. DOUGHY STREET,
RUSSELL SQUARE, W. C.

been able to have ridden
over. Work however has
been very heavy, & I have
only been able to snatch
a Saturday to Monday
so I was unfortunately
unable to come over,
when I hope I should have
found Mrs Pitt Rivers
& yourself in good health.
As you are so kind as
to offer me a copy of

the book, I may say I
should be very glad to
have it. I have the rest
of the set, & should value
this as much as the
rest, especially as coming
direct from yourself. I
only hope my long delay
in writing will not make
me too late to be favoured.
With the warmest thanks
for the kind offer & my
best remembrances
Yours sincerely
H. J. Billington
