Dear General Pitt-Rivers

I was very sorry I missed seeing
you yesterday. I had to go to
see our President M. Daille

from St. Win. bleed. On my

return I found your note - which
I have brought home here.

I have picked out 2 books which

I think you may like to look at
from my own library & will

take them up to the Asiatic

this Sat. 2

Have them ready for you in
the morning - or if you like
I can send them to you
I will see if there is any
thing else at the RAS which
bears - of subject

I am Very truly
Yours

W-S. W. Faux
