It was unfortunate on the day
as it rained. We had to go
up the Museum. Mr Colonel
Napier & went to King John's
house which interested us
very much. I hope to meet
them again during the summer.

Mr Beaumont is coming to
us at Whitcombe to paint
a picture of a view of mine
here. When the time comes

dear I am going to write and
ask Mr Pitt Rivers if I may
bring my sister Lady Eglington
over to Buckmore to see some
pictures. I am in great hopes
she will see Mr Beaumont
paint the picture

With kind regards -

Believe me to be

Yours sincerely
