CHAPEL BURY RECTORY,
WIMBORNE.

Wednesday

Dear Gen: Pitt Rivers

Please make any selection you like for enlargement from the accompanying photos of Nepal & its people - You can have ever so many more if you like. I observe that the bills for Aug 26th are out, & so we must keep that

date for the paper.

My eldest brother can
go to faunts & represent
the family!

Yours very sincerely
H. F. Willington

Any details you wd
like to know about the
photos I will gladly
supply - those coloured

in wash are among
the selection illustrating
my article in the September
