THE COTTAGE,  
ROEHAMPTON S.W.

My dear General

There is every probability of our looking out for a house next year - I know of none to suit us where we would like to live - would it suit you to build a house for us, somewhere on your Vale property - we

would pay you a good  
interest on your investment also Mrs Pitt Rivers  
and take it on a lease.

We have been fabricating,  
and tomorrow go down to  
the Naval Review which  
will be well worth  
seeing -

I hope you are well  
Mrs Pitt Rivers  
With our kind regards

I remain  
Yours sincerely  
P. S. Mausel

P.S. Mauston, Bradford  
will always find me -
