Dear Sir

Having heard  
that you take a great  
interest in old China  
glass &c. - I had thought  
you might like to  
to purchase some

pottery I have, it  
was dug up in 1840  
it is supposed to be  
about 3000 years  
old. I have also  
some beads, &c.

Yours faithfully  
Wm J. Murphy
