St Peter's Rectory,
Dorchester,
Dorset

Dear Genl. Pitt Rivers,

Will you forgive me for asking your kind help in this emergency?

For 16 years we have rented a Hall for Sunday School & other Parochial organizations. Over & over again we have felt the extreme inconvenience of not having a single room of our own, but on account of other urgent demands & the depression in trade, we have postponed this effort to raise £800 - £900 for a Parish Room.

Now we have no other course open to us, as our landlord has given us six months' notice to quit.

We have secured a site, & now ask those who wish the Church's work to be efficiently carried on, to help us under these very pressing circumstances.

We hope this room will be a centre for gathering youths & boys on winter days for classes of different kinds. Please help a Parish which is helping itself in a walk absolutely essential to its welfare. The smallest contribution will be gratefully

acknowledged by

Yrs. faithfully

H. K. Allen

Rector
