Dear Augustus

I am sending you  
a book imagined by  
Seymour Roberts Lady de  
Clifford's grandchild as  
you. The book shows  
children have done  
in the way of drawing  
It is original for so  
young a child.

WESTMINSTER  
35, SMITH SQUARE

I hope you are not  
getting tired with  
digging, & that you  
are satisfied with  
what you have found  
so without trouble. I am  
the note book. I wanted  
at the same time  
to tell you again  
how much I enjoyed

seeing of wonderful  
work at the Severn Tree  
and how greatly  
sympathetic with  
ideas for improving  
the people which are  
certainly most  
successful -  
I hope Alice will help  
to the reduction of wages  
up to a dollar
