HENLEY PARK,  
HENLEY ON THAMES,  
OXON.

Dear General -  
I have two beautiful  
Mandarin Ducks  
which I wish to give  
away as I have no  
pond good enough  
for them & I cannot  
get a Duck - Would  
you care to have them  
Their plumage is

perfectly beautiful -  
They are very shy  
& very conceited for  
they will never show  
themselves until their  
plumage is in good  
order after moultling..  
If you would like  
them send me a

line to 36 Lowndes St -  
Where we go to morning  
& I will write down  
instructions to my man  
here - Say how they  
should be sent.

Yr. Sincerely  
Capt. Walter W. W.
