My dear Sir

I hear that the
"Band" will commence
playing on Easter Sunday
afternoon & will I presume
play on each succeeding
Sunday during the summer
months. May I suggest to
you to allow the day to be

week day say "Thursday" &
that the Band should
play on that day from
4 p.m. to 6 p.m. or from 5 p.m.
to 7 p.m. I mention Thursday
as the shops in Blandford
are to be closed at 2 p.m.
on that day & many doubtless
would be glad to drive over
in the afternoon to hear
your Band & enjoy the
beautiful gardens. Then

people in Blandford can
take a holiday during the
week whenever they please,
of that I am well aware,
and if you kindly consented
to make the change from
the Sunday to a week day,
many who have been
prevented in the past from
hearing the Band play, would
be able to avail themselves
of its enjoyment. Putting
