Notting Hill

8 Sadler's Place West

6 April 1867

My dear Sir

Your letter has
been unfortunately lying
at the publishers till
last night —

I thank you for

the offer of the M.S. of
Christopher Blackwood &
shall most gladly read it
with a view to publication

If you will have the goodness
to forward to my residence
as above it will save time

I am
Yours faithfully
W. G. Lewis
