Dear General Pitt Rivers

Your most beautiful
& interesting book came yesterday
I hardly know how to thank
you for it. In the first place
I had no idea it was such a
book I thought it was a
pamphlet only. how I feel

it opens our eyes to a new
branch of art and gives one
a new interest & we are quite
delighted to possess such
a book.

We enjoyed ourselves so much
at Rushmore & I am sure
we shall never forget Mr.

Pitt Rivers kindness & goodness.

He spent over an hour at

the Blackmore museum &
wished he had longer time to
give to it.

With our kind regards to
Mrs Pitt Rivers

I am fr^{ly} very truly
