

Anthropological Institute,
3, Hanover Square, W.

30. vi. 87.

1298

Dear General Pitt Rivers.

The packet I send you
today has been sent to me
by Mr. Seidler, a member of
the Institute who was present
at the meeting on Tuesday last,
with the request that I would
hand the contents to you for
your inspection.

I hope your models will

arrive safely. they were
sent off yesterday afternoon.

Yours very sincerely,

Geo. W. Blodgett.
