May 17 1887

My dear Pitt Rivers

What I have left
for you at Burlington
House are a large
Swedish lock (figured
in the Proceedings
that are about to
come out) and a
smaller Chinese lock
You will I think like
the former but perhaps
you may not want
the latter - I shall
be glad to have a copy
of your excavation
medal - I saw one at

The Port. Ins. on Saturday
Your Roman or British
discoveries are very
interesting - Cannot
you give us some
account of them at
the Soc. Anti & let us
have the paper for the
Archaeologia - What
a Zaccheus-like case
you seem to have
found!

With kind regards
from most truly
John Evans
