My dear Pitt Rivers

We shall of course
be glad to have your
models and some
account of them at
the Soc. Ants. but I
think that the 23^d
is already full and
the papers announced
and the 30^d is our
only remaining day
can you see or write
to Hope and arrange
with him - I am sorry

That our Quarter Session
are on the 28th so that
I shall not be able to
get to the Antislavery
Institute - Have you
got your padlock?
There is a cut of it
in the Proceedings

Yours most truly
John Brown
