My dear Mr. Pitt-Rivers  
I am very sorry that  
this year again we must  
decline your kind  
invitation to Rushmore  
for we shall be abroad at  
the beginning of August.  
My husband does not  
think of assisting at the  
Arch. Institute Meeting  
so we are going off towards  
the end of this month to

visit some French Cathedrals  
& shall not be back for  
some weeks - but we hope  
to be at Manchester for  
the British Association  
Meeting -

Our son Arthur & his  
wife are going to the Palace  
at Salisbury for the  
Institute Meeting. So they  
will have the pleasure of  
seeing the General there

with kind regards

Many respects

I am very sincerely yours  
Florence Evans
