Dear General Pitt Rivers

I am very sorry not to
have been in when you
called. The price of the bronze
busts of the Queen is 15 Gs.

There are also smaller repro-
ductions in bronze at 7 Gs

The terracotta busts of Herbert
Spencer half life size are 6 Gs
each. Although I received

The Queens permission to
publish the half life size
busts. I did not like to
have them in shops as
on one or two occasions
I found my works re-
produced by some pirate
in a manner not at
all creditable to me

Yours very truly
B. Bachm.
