

sure would be of great interest.  
Should you not be able to come  
I would be happy to make a  
communication to the section for  
you of any account you may  
wish to send to us.

We have not got many good  
papers in hand yet. I hope  
we will get an Anthropological  
Laboratory <sup>arranged</sup> in connection with the  
Section.

Dear General Pitt Rivers

I enclose a df- report  
of the Committee of the Brit. Assoc.  
for the purpose of editing a new  
Edition of "Anthrop. Notes & Queries".  
I have given, I hope accurately,  
the history of the 1<sup>st</sup> Edition  
and the proceedings of the  
two Committee meetings we  
have held during the year  
since we were appointed.

I will be glad if you will review  
it & correct & improve upon it  
as you like. On your returning  
it to me I will send it to the  
Secretary of the Association  
to have it printed & distributed  
amongst the members of the  
Committee for final approval  
before presenting it to the  
Association.

I have read with interest  
the accounts as published  
of the meeting of the Archaeological  
meeting and regret very much

that it was not possible for me  
to be present at it particularly  
to be with you at Rushmore.  
I am however fixed in town  
with work till the end of the  
month when I hope to go to  
Bournemouth.

Are you coming to the  
Brit. Assoc.? I should  
like very much to have  
some report to place before  
the Antiquarian Section  
of your 'splendid finds'  
this spring, which I am
