Dear General Pitt Rivers

Thanks for your letter
which has crossed mine to
you with the report of Committee.
I shall be very pleased to
have a copy of your work
on the excavations at Woodcutts
as it will be very valuable
to me. Should you have any

copy to spare it would be very welcome
as an addition to the library of
This College & I am sure would
prove to be very useful in con-
nection with the anthropological
collection possessed by the College.

Yours very truly
J. G. Garrison
