25th August 1887

Dear Sir

In accordance with
a note received this
morning I beg to enclose
a list of the Paleonto-
graphical Publications
brought down to the volume
for the year 1885. Since
that list was printed
the volume for the year
1886 ^{being} printed; the
latter contains Monographs
on *Stemaria ficoides*; *Sopile*
Sponges part I; *Jurassic*
Gastropoda part I;

Inferior Oolite Ammonites
part I; and Recent
Mammalia part II.

The volume for the present
year is with the Printer
and will contain Palaeo-
Phyllopora part I; Fossil
Sponges part II; Inferior
oolite Ammonites part I
and Jurassic Gastropoda
part II

By a recent order of
Council volumes issued
previous to the year
1877 are now fifteen
shillings each - those after
that date are one guinea
each

If I can give any

further information, I
shall be pleased to
do so. I may mention
that I am leaving
home for a fortnight
on Monday, and that
between that date
and September 12th I
should not be able
to reply to Palaeontographi-
cal matters

I am Dear Sir
Yrs faithfully
Thos Wiltshire

General Pitt Rivers
