Dear Sir

I send proofs of
your Salisbury
Address. Will you
let me have it
again with any
corrections as soon
as possible. The
Institute will give
you 25 extra and
separate copies. If you

went any more
you can have
them by letting me
know and paying
the expense which
will be small now
that the paper is in
type. I should like
to know about this
matter soon, as
the type may have
to be broken up

Yours truly
Albert Hartshorn
