

Dorchester Sept 29 97

Sir

(L376)

I have made
inquiries today as
regards J W Gibbs.
I find that he
will not suit you
at all. Drunkenness
is his bane, has
been, & is likely to
be. He came to me
today in a deplorable
state, & I had to
give him 2/6 for

an Indian with the
of the Abbey Gate
at Berne. I beg
to send it now
by post.

I am Sir
Your true old friend
