Dear Sir
many thanks for your copy
of Cranborne Chase, as I receive it by
the morning post, at midday I get
from the "West Country" just the
edition I have been so long looking for,
with map all complete, and interleaved
with Cranborne Church, Bournemouth Ash,
House at Pollard Royal (Church Farm House)
supposed to be King Johns Hunting Lodge &
Dr Smart's note, it is, when I wrote you I could
not remember, but I knew was neither
Steele's nor Chapin's.

Believe me

Yours respectfully

Chas. M. Bennett.

Genl. Pitt Rivers.
