Sir,

A small collection, principally arms, from Borneo, is to be disposed of. This collection was made by a friend of mine who has resided for about ten years in Borneo, and although small, is good of its kind.

Should you feel inclined to purchase these articles, (of which I annex a list.) they can be seen in Jernyn Street where

where. I would be happy to  
meet any-one you might  
ask to inspect them. The  
cost would not be much  
over £ 50.

I am

Yours truly,

M. H. Gray
