

You said when I saw you
at Miss Graves that you would
like me to get a thrashing sledge
from Teneriffe.

I have not yet done anything
in the matter as I have been
waiting for my own probable
return to the island; but in
view of that am I to understand
that you desire a sledge to be
sent? if so should the pole
& peculiar yoke be included?
You do not want a primitive
plough as well, I suppose?

My dear Sir

I am sending ~~in~~
a crate by rail to
Tisbury the things from
Teneriffe that you
thought might be of use
in the museum -
They are all labelled.
I have added a few

Other things: but if any
are unscrutable pray
return them.

The glass beads & bangles
from Palestine & Syria I
cannot give, but if
you allow of loans, it
will be a pleasure to me
to leave them for exhibition
in V. Museum for the
present.

Truly yrs
