Dear Sir,

Knowing your  
interest in antiquities,  
I venture to send you the  
enclosed papers relating to  
the old Church in this  
parish, which has been  
visited by several antiqua-  
rian societies & pronounced  
to be most worthy of  
preservation from the ruin.

which has been for some time  
impending, owing to its  
antiquarian interest, & the  
beautiful monuments of  
Captains of the Fethi Pasha  
family - besides being  
used as a mortuary chapel,  
I am trying to raise £100  
to do what is necessary  
I have already raised half  
in the neighbourhood -  
but am obliged to look  
further for the rest.

I shall feel very grateful  
for any contribution however  
small you may be able  
to send me & beg to  
remain

Yr. Very faithfully

R. J. Mooyaart
